

OCTOBER NEWS

Mrs. Mercurio's Morning 3 Year Olds

Dear Parents,

September was a busy month in morning 3 year old preschool! We learned about body awareness, manners, Clifford, the child Jesus, and counting from 1-10. We learned about the season of fall and took a walk in the park with our 7th grade buddies. During the walk we found all kinds of interesting things related to fall. We talked about God's creation of nature and us. We did all kinds of projects related to our themes, some of which included: making an outline of our bodies, a picture reminding us to use a tissue when we sneeze, a Clifford face and ears. We earned "manners badges". We had a woodworking center where the children practiced "hammering" with "nails" into "wood" just as Jesus' earthly father Joseph did as a carpenter. We practiced tracing in the sand (this was the only thing Jesus had as a child and adult to write with!) We also learned about the square shape and the colors red, yellow and green. Early in the month we even went on a field trip to the park to watch some pretty impressive trick cyclists!

OCTOBER SCHEDULE

- 7-9 Fire trucks, fire safety
Rosary, guardian angels
Recognize letter A

- 14-16 Pumpkins
Rosary
Recognize letter B

- 21-23 Airplanes
*field trip to airport-please wear orange on field trip day
Rosary
